Invitation

Dear Attendees,

We are glad to announce the 33rd European Ophthalmology Congress to be held in Madrid, Spain from November 14-15, 2019 organized by Conference Series llc LTD, UK in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

The Conference provides the best venue for sharing knowledge, information gathering, discussions and networking across the entire audience category and also offers opportunities to conduct symposia/ workshop and joint exhibits. This is a scientific congregation which brings together researchers, scientists, and key decision makers, industry professionals in the same physical space for a brief yet intense period of discussion, collaboration, and addressing related problems in research.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Ophthalmology Congress Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Dublin this November.

Sincerely,

Ophthalmology Congress 2019

About Madrid

Capital of Spain

Madrid, Spain's central capital is a city of elegant boulevards and expansive, manicured parks such as the Buen Retiro. It's renowned for its rich repositories of European art, including the Prado Museum's works by Goya, Velázquez and other Spanish masters. The heart of old Hapsburg Madrid is the portico-lined Plaza Mayor, and nearby is the baroque Royal Palace and Armory, displaying historic weaponry.

In the 1970s Madrid became the epicenter of La Movida, a burst of expression in the arts. The Prado forms a "Golden Triangle" with the Reina Sofía Museum (home to Picasso's "Guernica") and the Thyssen-Bornemisza Museum. Sunday flea market El Rastro is in the medieval La Latina neighborhood, popular for nightlife, theater and tapas bars.

Central square Puerta del Sol houses the statue of the Bear and Strawberry Tree from the city's coat of arms, while the Museo Arqueológico Nacional displays a vast collection of historic artifacts. Real Madrid, the dominant soccer club, plays at the Santiago Bernabéu Stadium.
