## Tourist Attractions

Hong Kong is cosmopolitan and multicultural city and is officially called as People's Republic of China. It is located in eastern Asia and borders the South China Sea to the south, west, and east, and shares a land border with mainland China to the north. Hong Kong city can mostly thank its colonial history and international harbor for the rich blend of cultures that give it its unique character. While the majority of the city's population are Chinese speakers, simply walking the streets will expose you to a medley of Asian and European languages. Hong Kong can mostly thank its colonial history and international harbor for the rich blend of cultures that give it its unique character. While the majority of the city's population are Chinese speakers, simply walking the streets will expose you to a medley of Asian and European languages. The tourist attractions are Hong Kong Space Museum, Lamma Island, Hong-Kong-Disneyland, Tian Tan Buddha, Star Ferry, Hong Kong Disneyland, Avenue of Stars, Hong Kong, Tian Tan Buddha, Victoria Peak, Lantau Island, Peak Tram, Madame Tussauds, Cheung Chau, Clock Tower, Po Lin Monastery, Repulse Bay and many more...
