

**Global Conference on
Cardiovascular Medicine, Cardiology and Stroke**

June 04-05, 2020 | Miami, USA

GCCMCS 2020

Theme:

**“Prediction and Preventions: Cardiovascular
Medicine, Cardiology and Stroke”**

Cardiovascular Medicine, Cardiology and Stroke 2020

INVITATION

MORAFT welcomes you to attend the **Global Conference on Cardiovascular Medicine, Cardiology and Stroke**. **GCCMCS-2020** is scheduled on **June 04-05, 2020** in **Miami, USA**. with a theme "**Prediction and Preventions: Cardiovascular Medicine, Cardiology and Stroke**". This conference specifically designed to bring medical professionals together with most recent research in the diagnosis, treatment and prevention procedures.

Moraft is an international scientific conference-organizing group involved in promoting global current research through high profile conferences. We enable like-minded people to connect for sharing information, ideas, and opportunities for networking by providing the attendees platform to participate, enrich and discover innovation and future research.

Well-known speakers all over the globe are invited to present their latest research updates and share findings, able to discuss the new techniques, procedures for the treatment involved. Participants can have breakout sessions to have in-depth discussions, B2B meetings poster symposia, video presentations and workshops.

BRAND ESTABLISHMENT
