## B2B Meetings

# Invitation

Dear Attendees,

It is a great pleasure and an honor to extend to you a warm invitation to attend the 14<sup>th</sup> European Diabetes and Endocrinology Congress going to be held during April 15-16, 2020 at London, UK.

The theme of the Conference 'Breakthroughs in endocrine treatments and expose the latest developments' will underpin the need for collaboration and cooperation of individuals from a wide range of professional backgrounds. It aims to promote awareness and enhance research aiming in developing solutions for the challenges encountered.

London is one of the world's most imperative urban areas for business, financial, and legislative issues. It is additionally the nation's centre for culture, media, excitement, fashion and craftsmanship.

The Euro Endocrinology 2020 Conference will provide a wonderful forum for you to refresh your knowledge base and explore the innovations in diabetes and endocrinology. The Conference will strive to offer plenty of networking opportunities, providing you with the opportunity to meet and interact with the leading scientists and researchers, friends and colleagues as well as sponsors and exhibitors.

We hope you will join us for a symphony of outstanding science, and take a little extra time to enjoy the spectacular and unique beauty of this region.

Sincerely,

Euro Endocrinology 2020

### Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+  Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

### Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

### Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

### Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

**Special Issues : All accepted abstracts will be**

published irrespective Conference Series LLC Journals

Each abstract will be provided with digital Object Identifier by

## B2B Meetings

Euro Endocrinology 2020 Conference website is attracting 25000+ Diabetologist and Endocrinologist, Professionals online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

### **Euro Endocrinology 2020 salient features**

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

### **How Conference Series Conferences differs from others?**

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

### **Goals**

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Geriatrics and Gerontological Nursing present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

## About London

London is one of the world's most imperative urban areas for business, financial, and legislative issues. It is additionally the nation's centre for culture, media, excitement, fashion and craftsmanship. It is the most visited city on the planet by global voyagers with 18 million worldwide visitors per year thus its Tourism is one of London's greatest industries. London is a diverse and energizing city with a portion of the world's best sights, attractions and activities, a lot of historic landmarks authenticate the City's storied past. The city has an immense network system of transport frameworks including trains, metros and five principle airplane terminals, London Underground metro is a system of electric trains which are the oldest underground railway in the world.

A developing number of innovation and technology organizations are situated in this city. Today it is a mostly commercial district dominated by the stately buildings and skyscrapers that house offices for the finance industry. There's accommodation to suit all financial plans and tastes in London, diverse ranging restaurants (afternoon tea is a must). You're spoilt for choice when shopping in London; from the lead stores on Oxford Street, to gifts and bric-a-brac at London's markets. There are a lot of spots to see the iconic skyline along the river, however ensure you take in a panoramic view of London. You can't fail to be energized by London's astonishing attractions.
