

# About Conference

“2<sup>nd</sup> Middle East Heart Congress” will be held during June 22-23, 2020 at Abu Dhabi, UAE. The theme of the conference is “Fostering the Excellence in Cardiac Science”. Heart 2020 gathering aims to unite the most dedicated minds in the business, driving Physicians, Medical Practitioners, Surgeons, Nurses and scholastics to share thoughts and feature their accomplishments. Heart 2020 will be an international event focussing on the core knowledge and major advances in the ever-expanding field of Cardiology by attracting experts on a global scale. It is a great pleasure for us to welcome all the Cardiologists, nurses, researchers, students and delegates to take part in this upcoming congress to share views and knowledge through interactive keynote, plenary, poster and B2B discussions in the field of Cardiology. This conference provides an excellent opportunity to establish research collaborations & networking, and to discuss the latest developments & challenges within the field. We sincerely invite you to join us in this very informative annual conference and collaborate in the global action in reducing the burden of cardiovascular diseases. Your presence will certainly add value to the conference.
