A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

June 22-23, 2020
Zurich, Switzerland

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manuscripts in our Open Access Journals

With over 25000+ Doctors, Engineers, Scientists, Students Technologists accessing the website, EuroSciCon Preventive Medicine Conference 2020 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Preventive Medicine Conference 2020 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives

Nurture connexions

Agenda format which incorporates ample Q&A time

Partake in our revamped exhibitor expo sessions

Meet and listen to the relevant clients

Unprecedented growth creating an unparalleled market place

June 22-23, 2020
Zurich, Switzerland

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience

It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries

Over 25 Million+ Visitors and 20000+ Unique Visitors per conference

World's leading industries and companies attend

Career guidance for early career researchers and students

Provides insights you need to take your research to the next level

A huge conclave of high tech and science priests

Who'd be attending?

EuroSciCon Conference on 11th Edition of International Conference on Preventive Medicine & Public Health plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Doctors, Engineers, Scientists, Students and others who stay plunged in learning and practice in the Preventive Medicine & its technologies.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 19 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Preventive Medicine and Public Health
- Preventive Medicine and Diabetes
- Preventive Medicines and Vaccines
- Preventive Medicine and Chronic Diseases
- Preventive Medicine and Geriatrics
- Preventive Medicine and Community Health
- Preventive Medicine and Internal Medicine
- Preventive Medicine and Primary Care
- Preventive Medicine and Oncology
- Preventive Medicine and Infectious disease
- Ebola Virus Disease, Personalized and
- Precision Medicine

About Destination Zurich

Zurich is the largest city in Switzerland and the capital of the canton of Zurich. It is located in north-central Switzerland. Both Zurich Airport and railway station are the largest and busiest in the country. Many museums and art galleries can be found in the city, including the Swiss National Museum and the Kunsthaus. Schauspielhaus Zürich is one of the most important theatres in the German-speaking world. It is a leading global city and among the world's largest financial centres despite having a relatively small population.

Top Attractive Places to Visit in Zurich

The city is covered with many famous tourist attractions like The Grossmünster, The Swiss National Museum, The Uetliberg, Lake Zurich, Kunsthaus Zurich, and many other historical places which make the visitors more captivated towards the city.

The Grossmünster: It is a Roman style Protestant church in Zürich, Switzerland. It is one of the four major churches in the city. Its congregation forms part of the Evangelical Reformed Church of the Canton of Zurich. The core of the present building near the banks of the Limmat.

The Swiss National Museum: It is affiliated with the Federal Office of Culture is located in the city of Zurich, Switzerland's largest city, next to the Hauptbahnhof. The museum building of 1898 in the historicist style.

The Uetliberg: It is a mountain in the Swiss plateau, part of the Albis chain, rising to 870 m. The mountain offers a panoramic view of the entire city of Zürich and the Lake of Zurich, and lies on the boundary between the city of Zürich and the municipalities of Stallikon and Uitikon.
