

About Conference

With the coordination of organizing committee, 16th World Conference on Infectious Diseases, Prevention and Control will be scheduled during May 17-18, 2021 in Osaka, Japan. The conference mainly focuses on the theme “Future challenges for a disease free life”. Infectious Diseases Conf 2021 will be a great platform for exchanging new ideas, knowledge and research. It assembles the specialists in infectious diseases, pathology, microbiology, surgeons, immunology and pioneers both from the academic network and industry over the globe. This gathering will provide networking sessions for Healthcare Professionals, Nurses, Scientists, Professors, Business Assistants, Students, and individuals from all Infectious Diseases Associations and Universities.
