

GLOBAL CONFERENCE ON

DENTISTRY & ORAL

HEALTH SCIENCES

23
25 AUG **Online**

HAZEL GROUP

The Hazel Group is an entity that facilitates knowledge share platform, using global footprint to exchange their ideas, knowledge, focus towards futuristic research and development. This indeed helps to reduce the gap between academic, research and business requirement, which need to be addressed.

ABOUT GCD 2021:

Hazel Group, we take pleasure to announce our Global Conference on Dentistry and Oral Health Sciences (GCD 2021) has been scheduled during August 23-25, 2021 as A Webinar. With indeed focus on the essential progression of developments and advancements through the latest upfront dentistry and oral health sciences.

This meeting includes several interactive sessions specifically designed for highly acclaimed educational activity which has been considered one of the predominant meetings on this subject. The objective of the Dental Conference-2021 is to reinforce Contemporary Advances and Innovations in dentistry and oral health sciences, Abstracts must contain original research data collected by the author(s). Presentations will be selected based upon their articulation, design and other characteristics, which cover wider aspects of dental health sciences as well as its policies related to the themes.

The conference enhanced through the provision of an interactive keynote, workshops, oral, and poster presentation sessions. Each Individual presenter will be assigned 30 minutes time duration to express his/her research experiences followed by an interactive discussion led by leading authorities.

The committee aims to create a friendly, warm network environment among participants which makes it easy to interact other colleges/attendee to connect with each other and share their ideas and establish the foundation for future vision and development. We look forward to meeting all of you in online.

SPONSORSHIP & EXHIBITION

Who we are?

The Hazel Group organizes worldwide conferences to grandstand several opportunities for academia, Industries & freelances to demonstrate their cutting-edge basic and applied research outcomes within life sciences including medicine and other diverse role of science and technology in society. We offer several opportunities for sponsors, exhibitors to demonstrate their new trends and technologies that enhance scientific research.

What you can grab from GCD?

- GCD is not just about R&E networking and technology, it's also about people networking.
- It provides a chance for experts from around the globe to meet and catch up with old friends and colleagues and make new connections.
- This year on the first day evening of GCD will host a kick-off party for all attendees.
- This will be an ideal opportunity for
- sponsors to raise their profile with hundreds of people in one lively social event.
- If you would like to support this event
- please contact the sponsorship team.
