

**PHOENIX CONFERENCES**

*Dedicated to your success*

## *About Conference*

Phoenix conferences is one of the leading and most trusted establishment with a dedicated team of professionals highly experienced in delivering the biggest Medical and Engineering Conferences across the globe. With a most dynamic approach, we provide the attendees with a scientific program that includes keynote sessions from eminent scientists, oral presentations, and poster sessions. Our meeting includes several interactive sessions specifically designed to meet the educational needs of Surgeons, Physicians, Research Scholars, Students, Academicians, Clinical Nurses, and all other healthcare professionals which makes the event worth attending.

With COVID 19 pandemic has disrupted the everyday life and the new normality has taken place, we are fully prepared to deliver online the unique interactive experience so that any of our participants don't miss out. We aim to create a friendly, warm, educational environment among the attendees which makes it easier for them to interact / connect with each other and share their ideas and establish an interdisciplinary approach. Join us on this Journey.

*We are looking forward to digitally meeting  
all of you!!*
