## Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manuscripts in our Open Access Journals

With over 25000+ parasitologists accessing the website, ENT conference 2022 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

## ENT conference 2022 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions Meet and listen to the relevant clients Unprecedented growth creating an unparalleled market place

## How's EuroSciCon different?

*Exercises your creative instincts with the live knowledge experience*

*It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries*

*Over 25 Million+ Visitors and 20000+ Unique Visitors per conference*

*World's leading industries and companies attend*

*Career guidance for early career researchers and students*

*Provides insights you need to take your research to the next level*

*A huge conclave of high tech and science priests*

## Who'd be attending?

Otolaryngology, ENT Conference 2022 Conference brings together the experts from all the aspects to meet and discuss the future of ENT and Status of treatment of for the disorders in today's world to thrive and endure with a better health. The conference will bring together Directors, Doctors, Director of Laboratories, Universities, Industries, Delegates, ENT Investigation specialists, Investigators, Post-Doctoral Fellows, ENT Research and Analytical Laboratories, Clinical Fellows, Students, ENT Research companies, ENT Healthcare Organizations, Market Research and Consulting Firms, Pharmaceutical Companies, Medical device specialist and all the interested members willing to enhance and update the understanding on Ear, Nose & Throat Disorders.

## About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology and Institute of Biomedical Science (IBMS). Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Otology	Obstructive Sleep Apnea (OSA)
Pediatric ENT	Ear Disorders
Otolaryngology	Rhinology And Allergy
Septoplasty	Tracheostomy

Laryngology	General Medicine
Tinnitus	Covid And ENT Luptatio. Ugitur se rem exera aut ipsam quibus, omnim vento beres dolorpo riSum
Anesthesia In Ear, Nose And Throat Surgery	

## ENT conference 2022

### About Destination London

London is the capital city of United Kingdom, stands on the River Thames and is located southeast of the island of Great Britain. London covers an area of 1579 square kilometres and according to 2016 statistics, Greater London's population was estimated to be 8.63 million. London is a leading global city excelling in the fields of arts, commerce, education, entertainment, Fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. As the world's largest financial center, London serves as an attractive destination for international investors and businessmen. The headquarters of important banks like HSBC, Royal Bank of Scotland, Barclays and Standard Chartered are located here. The city has the World's largest city airport. If we look at the cultural distribution of the city, London is often described as a cultural hub. It is home to a wide variety of people from different backgrounds and more than 300 languages are spoken. The host city also has some of the best medicine schools like The Imperial College London, the University College London, The King's College London, Queen Mary's University of London and St. George's University of London. Funds for research are available from Research Councils, National Institutes of Health, European Commission, other UK Government Departments and also from commercial sectors like private companies. In 2016, the idea of a global research hub in London was put forward, to bring over ten thousand scientists and clinical researchers together in order to accelerate advancements in cancer science. The Buckingham Palace, the Warner Bros Studio, the Madame Tussauds wax museum, Westminster Abbey, and the London Eye are important tourist destinations in this city.
