- Psychiatric And Mental Health Nursing

About Destination Rome, Italy

Rome is the capital city of Italy. It is also the capital of the Lazio region, the centre of the Metropolitan City of Rome, and a special comune named Comune di Roma Capital. With 2,860,009 residents in 1,285 km² (496.1 sq mi), Rome is the country's most populated comune and the third most populous city in the European Union by population within city limits. The Metropolitan City of Rome, with a population of 4,355,725 residents, is the most populous metropolitan city in Italy. Its metropolitan area is the third-most populous within Italy. Rome is located in the central-western portion of the Italian Peninsula, within Lazio (Latium), along the shores of the Tiber. Vatican City (the smallest country in the world) is an independent country inside the city boundaries of Rome, the only existing example of a country within a city. Rome is often referred to as the "City of Seven Hills" due to its geographic location and also as the "Eternal City." Rome is generally considered to be the "cradle of Western civilization and Christian culture", and the centre of the Catholic Church.
