About us

Scientex Conferences provide a global platform for exchanging ideas and keeps on updating about the latest innovations in different Subjects. Opportunity to attend the presentations delivered by eminent Scientists from all over the world. Global networking: In transferring and exchanging Ideas. A Unique Opportunity for Advertisers and Sponsors at this International event. We present you team of dedicated minds driven by the thought of gathering together the people of alike objected to an exclusive platform. Science brings forward the art of molding the experience and the experiments into a reality. These assembling realities, eventually, give birth to the various fields all together comprise a world get known as science, technology, and advancement. Scientific Meet Icon conference acts a dais where people from various parts of the world come together and discuss topics, ranging from physics to medicine, ever beneficial to an advancement of the human civilization. Alongside, the news and views get exchanged among the personnel across the globe. Scientific Meet Icon strives toward evolving a resource of information, unprecedented problems as well as their solutions such that it enhances the very core of the scientific community thus adding values to human society. Come. Join us! View the substantial minds talk their cut- through researches at the Scientific Meet Icon conferences. Well organized scientific program. [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

Conference and Webinar Details

About Conference

With a grand success of Nutrition 2022, We welcome you all to attend the “**3rd International Conference on Nutrition and Healthcare**” scheduled during **November 16-17, 2023** in **Dubai, UAE**. The main theme of the conference is “Revolutionary strategies with Innovative Researches in Nutrition”. Join this intimate forum to create meaningful partnerships with 50+ Nutritionists. Translate key technological & development in nutrition advances into the clinic.

Nutrition 2023 Mission: To provide the highest quality of nutrition and healthcare education to learners and practitioners of all levels.

Nutrition 2023 Vision: Through our inspiring international faculty, innovative programming, and vibrant interactions among all attendees, Nutrition 2023 conference aspires to be the best Nutrition and Healthcare educational event in the world.

We strongly believe that Nutrition 2023 will be a huge success and exceed our expectations extremely.

About Webinar

The **3rd International Webinar on Nutrition and Healthcare** is Organized by Scientex conferences during November 23-24, 2023 focused on the theme “Revolutionary strategies with Innovative Researches in Nutrition”. Attendees had the opportunity to receive an e-certificate of attendance. Join this intimate forum to create meaningful partnerships with 50+ Nutritionists. Translate key technological & development in nutrition advances into the clinic.

Our goal is to bring together worldwide distinguished academics in the field of Nutrition and Healthcare to exchange and share meaningful experiences of various researches, procedures for health care and nutritional disorders.

CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions.
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities
- Excellent platform to showcase the latest developments in Nutrition and affiliates

TARGET AUDIENCE

- Nutritionist
- Healthcare professionals
- Dietician
- Nutritional Advocates
- Universities, Associations and Societies
- Students and Research Scholars
- Business Delegates
- Product Manufacturer
- Food safety specialists

Session Highlights

- **Nutrigenomics**
- **Probiotics & Prebiotics**
- **Cardio vascular Nutrition**
- **Malnutrition**
- **Clinical and Translational Nutrition**
- **Advances in Food science and system**
- **Dietetics**
- **Obesity and Underweight**
- **Food Sensitivity**
- **Agricultural nutrition**
- **Sports Nutrition**
- **Geriatric Nutrition**
- **Vegan and Plant based Nutrition**
- **Pregnancy and Pediatric Nutrition**
- **Animal Nutrition**
- **Global health Nutrition**
- **Public Health and Epidemiology**
- **Innovations in Healthcare**

Venue and Hotel Details

Hotel Name and Address:

CITY SEASONS DUBAI HOTEL

2 27th St - Port Saeed- Dubai - United Arab Emirates

Conveniently located close to Dubai International Airport, City Seasons Dubai offers quick access to Dubai Convention and Exhibition Centre, Dubai's world-famous shopping malls, golf courses, desert safari guides, tourist attractions and pristine beaches. The elegant interiors, the spacious rooms and suites combined with an attentive and friendly service make this Dubai centre hotel a favourite with business travelers, family stays and holidaymakers. City Seasons Dubai is an ideal destination for business, family and travel travel.

About Venue:

Dubai with its opulent architecture, breathtaking skylines, and enormous shopping malls, Dubai has become one of the most recognizable locations in the world. Dubai, one of the Middle East's most forward-thinking cities, is also the location of Burj Khalifa, the world's tallest man-made structure. The city is one of the ten most popular tourist destinations in the world. It is the commercial and cultural hub of the Middle East, and a global transport hub. The city is represented by its skyscrapers, including the world's tallest building, Burj Khalifa, in addition to aspiring development projects including man-made islands, world class extravagance hotels, and some of the largest and astonishingly modern shopping malls in the world. Dubai has developed as a cosmopolitan metropolis that has grown progressively to become a global loving spot as well as a business and cultural hub. Dubai has one of the finest public health systems in the world, offering an extraordinary standard of medical care in state-of-the-art facilities. [\(click here for more\)](#)

TOP REASONS TO PARTICIPATE

- Develop Your Network
- Position Yourself as an Expert
- Meet Experts & Influencers Face to Face
- Gain Targeted Knowledge
- New Tips & Tactics
- Invest In Yourself
- Gain New Collaborations
- Present your Ideas and Work
- Be Inspired
- Travel, Explore and Have Fun!!

Past Event Report

About Past Event:

Scientex Conference successfully hosted its second series on the “2nd International Conference on Food science and Nutrition” at Holiday Inn Paris - Porte De Clichy, 2 Rue du 8 Mai 1945, 92110 Clichy, France during November 17-18, 2022 and “2nd International Webinar on Food science and Nutrition” on November 24-25, 2022 as per the time zone GMT+1. The conference was organized with a theme focused on “Revolutionary strategies with Innovative Researches in Nutrition” and it was a great success where eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the Organizing Committee Members played a major role in the success of Nutrition 2022. On another hand, we take the opportunity to thank all the speakers, delegates and participants for providing their valuable support and time for the conference.

Nutrition 2022 Organizing Committee would like to thank the keynote speakers, plenary speakers, delegates and young researchers for making the sessions such a worthwhile experience. Also, we would like to thank the Moderator of the conference, Thaïsa Lopes Rodrigues, Lieue University, Brazil and the moderator of the webinar Sondess Alouani, University Hospital of Monastir, Tunisia who contributed a lot for the smooth functioning of this event.

With the grand success of Nutrition and Healthcare 2022, we are glad to announce our next upcoming conference “3rd International Conference on Nutrition and Healthcare” which is going -to be held in Dubai, UAE during November 16-17, 2023 and “3rd International Webinar on Nutrition and Healthcare” which has been scheduled during November 23-24, 2023.

PAST CONFERENCE GALLERY

Testimonials

Feedback

Amin Majdalawieh
United Arab Emirates

Great conference. I loved it.

Delano Chambers
Jamaica

Truly appreciate the opportunity to share; apart from delayed startup on day one, which contributed to running sessions into scheduled lunch time, it was very informative. I Had technical challenges on day two, of such, was not able to participate it fully.

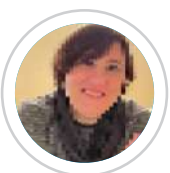

Djedjiga BENAMARA
France

It was a very enriching experience, first of all I learned a lot of concepts by listening to the presentation of others. Secondly, I exchanged discussions with other speakers which allowed me to widen my circle of knowledge. Finally, it was my first experience in oral presentation in English, it was a very good exercise in speaking.

Sohasraji Sraji
Yemen

I would like to thank you for the most wonderful opportunity. It was a very wonderful conference in terms of coordination, organization and your dealings with us.

Simona Errico
Italy

I take this opportunity to thank you for the invitation, it was a nice experience and the conference was very interesting.

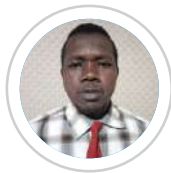

Charu Gupta
India

It was a very good & learning experience. Well organized & topics selected for presentations were of great importance. More such webinars should be arranged in the future.

Leila Larisa Medeiros Marques
Brazil

I would like to thank you for the opportunity to participate in this very interesting event.

Richard Koskei
Kenya

The conference was very good. It was informative and well-coordinated.

Maryam Al-Ghazali
Oman

The conference well organized with highest professional. To be honest with you all parts were excellent but the most one the moderator I like it too much. strongly I will suggest my colleagues attend our future conference. I got great experience from the conference especially from the presenters.

Teja Senekovič Kojc
Slovenia

Thank you for the invitation and for great opportunity to be part of your webinar. I am satisfied with my presentation, I really enjoyed the whole webinar.

Past Conference Program

2nd INTERNATIONAL CONFERENCE ON NUTRITION AND HEALTHCARE
NOVEMBER 17-18, 2022 | Paris, France

Day 01 (November 17, 2022)

KEYNOTE FORUMS

10:00-10:35

Title: Use of zinc chloride for melanoma

Norman Brooks, Skin Cancer Medical Center, USA

10:35-11:10

Title: Reducing oxidative induced damage in haemodialysis patients following a 3-month intervention

Mary Hannon Fletcher, Ulster University, United Kingdom

11:10-11:20

Photo Session

Sessions : Food Science and System | Oncology Nutrition | Nutrigenomics | Nutrition and Human health | Immunomodulation | Oral Diseases | Intermittent Fasting | Global Health Nutrition | Precision Nutrition | Pediatric Nutrition

11:20-11:45

Title: Challenging nutritional rehabilitation of an infant with acute lymphoblastic leukemia combined by fungal sepsis and subacute intestinal obstruction post infectious (operated – exploratory laparotomy with resection and anastomosis)

Gargee Rai, National Cancer Institute, India

11:45-12:10

Title: Anthocyanin content, bioactive compounds and physico-chemical characteristics of potential new strawberry cultivars rich in-anthocyanins

Peerasak Chaiprasart, Naresuan University, Thailand

12:10-12:35

Title: Prevalence and clonal relationship of ESBL producing salmonella strains from humans and poultry in northeastern Algeria

Djeffal Samia, Mentouri University Constantine 1, Algeria

12:35-13:00

Title: Toxicological consequences of application of chemicals on foods

Okereke Goodluck Obioma, Benue State University, Nigeria

13:00-14:00

Lunch

14:00-14:25

Title: Can dental caries be an independent predictor of sarcopenia and its diagnostic factors?

Yang Yang, Zhejiang University, China

14:25-14:50

Title: Expression profiles and coexpression network analyses of long noncoding RNAs in brown adipose tissue of obesity-prone and obesityresistant mice fed a high-fat die

Congcong Wang, Zhejiang University, China

14:50: 15:15

Title: Cyanogenic glycosides – essential or non-essentials metabolites?

Ľubomír Harenčár, Slovak University of Agriculture, Slovakia

Event at a Glance

15:15-15:40	Title: Traditional Colombian fermented foods as a source of lactic acid bacteria Francia E Valencia García , Biotransformation Group, School of Microbiology, University of Antioquia, Colombia
15:40-16:05	Title: Microbial diversity and community dynamics in the intestines of broiler chicken raised in an open sided house Waleed Al Marzooqi , Sultan Qaboos University, Oman
16:05-16:30	Title: Effect of extraction methods on the physicochemical properties, fatty acid profile and storage stability of virgin coconut oil Chinedu Obiageli Ajogun , Nigerian Institute of Food Science and Technology, Nigeria
16:30-16:55	Refreshment break

WORKSHOP

16:55-17:10	Title: PROTEIN: Personalized nutrition for healthy living Kosmas Dimitropoulos; Lazaros Gymnopoulos , Centre for Research and Technologies Hellas (CERTH), Greece
17:10-17:25	Title: Exploring the contribution of genetic background and gut microbiome profile on precision nutrition Konstantinos Rouskas , Centre for Research and Technologies Hellas (CERTH), Greece
17:25-17:40	Title: Breath analysis using portable mass spectrometry for personalized nutrition Boris Brkić , University of Novi Sad, Serbia
17:40-17:55	Title: Obesity prediction machine learning model based on human gut microbiome data Stelios Hadjidimitriou , Aristotle University of Thessaloniki, Greece

POSTER PRESENTATIONS

SCFSN-P01	Title: Socio-demographic, biopsychosocial and lifestyle behaviors related with eating disorders of children and adolescents of Costa Rica Ileana Holst Schumacher , University of Costa Rica, Costa Rica
SCFSN-P02	Title: Therapeutic effects of the edible plant Anredera Cordifolia: Integrative review Raquel de Souza Praia , Corpo de Bombeiros Militar do Amazonas, Brazil
SCFSN-P03	Title: Biological effects of the Amazonian fruit camu-camu: Literature review and in vitro analyzes of pro-healing effects Raquel de Souza Praia , Corpo de Bombeiros Militar do Amazonas, Brazil

Event at a Glance

- SCFSN-P04**
Title: Tucumã, an Amazonian fruit capable of protecting fibroblast DNA from damage
Noeme Henriques Freitas, Corpo de Bombeiros Militar do Amazonas, Brazil
- SCFSN-P05**
Title: Evaluation of the cytotoxicity of Anredera Cordifolia, unconventional food plant, in human fibroblasts
Noeme Henriques Freitas, Corpo de Bombeiros Militar do Amazonas, Brazil
- SCFSN-P06**
Title: Antagonistic evaluation of autochthonous lactic acid bacteria on food contaminating molds
Yuli Lopez Cadena, Biotransformation Group, School of Microbiology, University of Antioquia, Colombia
- SCFSN-P07**
Title: Update on pediatric sepsis in Mexico
Estefanía Mattenberger, University of Monterey, México
- SCFSN-P08**
Title: Sesamum indicum (sesame) enhances NK anti-cancer activity and splenocyte proliferation, modulates Th1/Th2 balance, and suppresses macrophage inflammatory response
Amin F Majdalawieh, American University of Sharjah, United Arab Emirates

CONCLUSION OF DAY 01

Day 02(November 18, 2022)

- 10:00-10:35**
Title: Dietary therapy with low protein genmai (brown rice) to improve the gut-kidney axis and reduce CKD progression
Shaw Watanabe, Tokyo University of Agriculture, Japan
- 10:35-11:10**
Title: Food security, nutrition and well-being: A South African perspective
Thierry Regnier, Tshwane University of Technology, South Africa
- 11:10-11:20** Photo Session
- Sessions : Food Development | Clinical Nutrition | Clinical and Translational | Public Health | Food Safety | Personalized Nutrition | Cardiac Nutrition**
- 11:20-11:45**
Title: Optimization of the traditional fish fermentation process for indigenous guedj seafood preparation in Senegal by using a millet-based immersion matrix
Michel Bakar DIOP, Gaston Berger University, Senegal
- 11:45-12:10**
Title: The situation of using artificial sweetener instead of sugar in instant beverage powder
Araya Rojjanawanicharkorn, Ministry of Public Health, Thailand
- 12:10-12:35**
Title: Analysis of background and development of technological principles of milk processing by encapsulation
Natalia Hrynchenko, State Biotechnological University, Ukraine

Event at a Glance

12:35-13:00	Title: Alzheimer´s disease and diabetes mellitus type 3 Thaísa Lopes Rodrigues , Lieue University, Brazil
13:00-14:00	Lunch
14:00-14:25	Title: Association between dietary inflammatory index, endometriosis and dyspareunia Clarissa Viana Demézio da Silva , Federal University of Rio de Janeiro, Brazil
14:25-14:50	Title: Physicochemical characterization of nine cassava (<i>Manihot esculenta</i> Crantz) cultivars from Chad Nadjiam Djirabaye , Chadian Institute of Agronomic Research for Development - ITRAD, Chad
14:50: 15:15	Title: Supplementation of vitamin D, selenium and calcarea carbonica in hashimoto thyroiditis: An uncontrolled pilot clinical study Chean Gaik Chan , Eternal Clinic & Wellness Group, Malaysia
15:15-15:40	Title: Is women´s recreational physical activity captured by screen viewing? Impact on their obesity indices Maria Spanoudaki , 424 General Military Hospital of Thessaloniki, Greece
15:40-16:05	Title: Heavy metal (Pb, Cd, Hg and As) content of some pineapples juice produced in informel market in Abidjan, Côte d'Ivoire Yolande Amoin Aké Assi Datté , University of Abobo-Adjame, Ivory Coast
16:05-16:30	Title: Caries free society: Fighting dental caries by nutrition Shereen Hafez Ibrahim , Cairo University, Egypt
16:30-16:55	Refreshment break
16:55-17:20	Title: Eating disorder and anxiety during covid-19 pandemic: The maghrebian experience Saoussen Alouani , University Hospital of Monastir, Tunisia
17:20-17:45	Title: The effect of honey on lipid profiles Nasrin Nasimi , Iran University of Medical Sciences, Iran

POSTER PRESENTATIONS

SCFSN-P01	Title: Sensory description of gluten-free breads Flávia Aparecida Reitz Cardoso , Federal University of Technology - Paraná, Brazil
SCFSN-P02	Title: In vitro evaluation of peixinho da horta (<i>Stachys byzantina</i>) extracts obtained using natural deep eutetic solvents Leila Larisa Medeiros Marques , Federal University of Technology - Paraná, Brazil

Event at a Glance

SCFSN-P03

Title: Evaluation of fungal spoilage in strawberries using raw plant extract raw plant extract

Marcia Regina Ferreira Geraldo Perdoncini, Federal University of Technology - Paraná, Brazil

SCFSN-P04

Title: About the prophylactic dietary choices adapted to COVID-19

Djedjiga Benamara, Reims University, France

VIDEO PRESENTATIONS

SCFSN-V01

Title: Interaction between lipid profile and urine iodine in pre-diabetes & diabetes among school-age children (5–9 years) in India

Savitesh Kushwaha, Post Graduate Institute of Medical Education and Research (PGIMER), India

SCFSN-V02

Title: Desk review of 377 child nutrition smartphone applications available on google playstore

Rachana Srivastava, Post Graduate Institute of Medical Education and Research (PGIMER), India

AWARDS AND CLOSING CEREMONY

Past Webinar Program

2nd International Webinar on Nutrition and Health Care

Day 01 (November 24, 2022 | GMT+1)

09:00-09:20	Title: In vitro static strategies to test nutraceuticals bioaccessibility
	Adele Papetti , University of Pavia, Italy
09:20-09:40	Title: Protocol for feasibility and safety of adopting early oral feeding in post total laparoscopic total gastrectomy (overlap esophagojejunostomy): A multicenter randomized controlled trial
	Qinchuan Yang , Air Force Military Medical University, China
09:40-10:00	Title: Oral health problems of Thai people reported by Khon Kaen University staffs during 1984 to 2020
	Amornrat Ratanasiri , Khon Kaen University, Thailand
10:00-10:20	Title: Development of non-dairy probiotic drinks from legume milk enriched with prebiotics
	Reena Verma , IIS (Deemed to be University), India
10:20-10:40	Title: A study to assess risk of diabetes in Indian women, men and children
	Rita Patil , SNDT Womens University, India
10:40-11:00	Title: Pulsed electric field lab-scale setup for quality treatment for aloe-vera juice
	Preeti Birwal , Punjab Agricultural University, India
11:00-11:20	Title: Decontamination of aflatoxins in selected post harvest cereals
	Arshad Hussain , Pakistan Council of Scientific and Industrial Research (PCSIR), Pakistan
11:20-11:40	Title: Biotics+: New emerging concepts for food functionalization as a health promoting strategy
	Nicoleta Stănciuc , Dunarea de Jos University of Galati, Romania
11:40-12:00	Title: The nutritional status of oncological patient prior to antitumor treatment: Single-center prospective observational study
	Olga Obukhova , NN Blokhin NMRCO, Russian Federation
12:00-12:20	Title: Evaluating the role of nutraceuticals in primary prevention
	Santiago De Dios , Hospital Universitario La Zarzuela, Spain
12:20-12:40	Title: Effect of Chia (<i>Salvia hispanica</i>) seed mucilage incorporation in kefir as novel ingredient
	Linda Ould Saadi , Université de Bejaia, Algeria
12:40-13:00	Title: Enhancement of the oxidative stability of corn oil under heating by blending with grapeseed oil (<i>Vitis vinifera</i>)
	Amira Mnari Bhourri , University of Monastir, Tunisia
13:00-13:40	Lunch

Event at a Glance

13:40-14:00	<p>Title: A systematic review of employment outcomes from youth skills training programmes in agriculture in low and middle- income countries</p> <p>W. H. Eugenie Maïga, Université Norbert ZONGO, Burkina Faso</p>
14:00-14:20	<p>Title: Borassus aethiopum mart fruit: An untapped source of nutraceuticals</p> <p>Sylvie Assoi, Université Peleforo Gon Coulibaly, Côte D'Ivoire</p>
14:20-14:40	<p>Title: Children's mental illness and family bonds: A case study of a student with learning difficulties</p> <p>Patricia Dotta, Uniftec University Center in Bento-Gonçalves, Brazil</p>
14:40-15:00	<p>Title: Effect of choline chloride based deep eutectic solvents on extraction kinetic of polyphenols from cocoa (Theobroma cacao L.) bean shell</p> <p>Elaine Benítez Correa, University of Bío-Bío, Chile</p>
15:00-15:20	<p>Title: Extensively hydrolyzate formulas acceptance in treatment of cow's milk protein allergy</p> <p>Diana Miriam Kabbache, University of Salvador, Argentina</p>
15:20-15:40	<p>Title: Application of the psychocultural approach in holistic care</p> <p>Augustin Mubiayi Mamba, The University of Kinshasa, Democratic Republic of Congo</p>
15:40-16:00	<p>Title: Product traceability in the age of the food safety modernization act</p> <p>Delano A Chambers, Northern Caribbean University, Jamaica</p>
Day 02 (November 25, 2022 GMT+1)	
09:00-09:20	<p>Title: The effects of mobile-app-based low-carbohydrate dietary guidance on postprandial hyperglycemia in adults with prediabetes</p> <p>Xiaoyu Chen, Shanghai University of Medicine and Health Sciences, China</p>
09:20-09:40	<p>Title: Comparison of web-based partograf and conventional partograf on early detection of emergency cases and referral processes</p> <p>Devianti Tandiallo, Stikes Datu Kamanre, Indonesia</p>
09:40-10:00	<p>Title: Performance test of Arabica coffea bean rating tool using image sensor guided</p> <p>Reta, Pangkep State Polytechnic of Agriculture, Indonesia</p>
10:00-10:20	<p>Title: Appetite suppressing phytonutrients for combating obesity</p> <p>Charu Gupta, Amity University Uttar Pradesh, India</p>
10:20-10:40	<p>Title: Phytosterols as nutraceutical intervention for cardio-vascular diseases</p> <p>Charu Gupta, Amity University Uttar Pradesh, India</p>
10:40-11:00	<p>Title: Evaluation of food safety knowledge and hygienic practices in restaurants in Muscat, Oman</p> <p>Maryam Mohammed Al Ghazali, Sultan Qaboos University, Oman</p>

Event at a Glance

11:00-11:20	Title: Effects of processing methods on fatty acid profiles and polyphenol composition of arabica coffee cultivars
	Richard Kipkorir Koskei , Institute of Food Bioresources Technology, Kenya
11:20-11:40	Title: A descriptive assessment of the quality of products and service delivery at a mining canteen in Botswana
	Sarah Tshepho Pona Matenge , Boitekanelo College, Botswana
11:40-12:00	Title: Nutrition in pediatric heart failure
	Teja Senekovič Kojc , University Medical Centre Maribor, Slovenia
12:00-12:20	Title: Tenebrio molitor as new interesting protein source
	Simona Errico , ENEA Trisaia Research Centre, Italy
12:20-12:40	Title: Hovenia dulcis - development and evaluation of jelly and dehydrated fruit
	Gilson Gustavo Lucinda Machado , Federal Institute of Southeast Minas Gerais, Brazil
12:40-13:00	Title: Are mediterranean diet adherence and obesity associated to COPD? results from Moroccan bold Study
	Karima EL RHAZI , Sidi Mohamed Ben Abdillah University, Morocco
13:00-13:40	Lunch
13:40-14:00	Title: Dietary intake of heavy metals (Cd, Hg, Pb) through consumption of fish and fishery products in Cairo and Giza Cities, Egypt
	Elnawawi FA , Cairo University, Egypt
14:00-14:20	Title: MNT for PCOS (Medical Nutrition Therapy for Polycystic ovary syndrome)
	Soha al seraji , Lebanese International University (LIU) , Yemen
14:20-14:40	Title: Downregulation of proinflammatory liver gene expression by Justicia spicigera and kaempferitrin in a murine model of obesity-induced by a high fat diet
	María Eugenia Jaramillo Flores , National School of Biological Sciences - IPN, Mexico
14:40-15:00	Title: Evaluation of the nutritional status of Venezuelan children with primary Renal Tubular Acidosis (RTA). Exploratory study
	Janet Jasmín Rodríguez García , Universidad Central de Venezuela, Venezuela
15:00-15:20	Title: The Effect of morin and mixture on expression in cell adhesion molecules
	María Eugenia Jaramillo Flores , National School of Biological Sciences - IPN, Mexico
15:20-15:40	Title: Heavy metal (Pb, Cd, Hg and As) content of some pineapples juice produced in informal market in Abidjan, Côte d'Ivoire
	Yolande Amino Aké Assi Datté , Oceanological research Center, Ivory Coast

Event at a Glance

15:40-16:00	Title: Impact of cooking time on the physicochemical and nutritional properties of <i>Macrotermes subhyalinus</i> and <i>Imbrasia obscura</i>
	Clement SAIDOU, Ngaoundere University, Cameroon
