CONFERENCE INTRODUCTION

After another successful year, a special thank you to all our attendees from our previous Pharma Packaging and Labelling Conference. Virtue Insight is delighted to announce the **5th Annual Pharma Packaging, Labelling, Serialization, Track & Trace 2023** conference to be held on 10th August 2023, Kohinoor Continental Hotel, Mumbai, India

Packaging is one of the largest industry sectors in the world, worth several billions. Pharmaceutical packaging represents a meagre percentage of this colossal market. The global healthcare industry has seen a shift in paradigm and is now skewed toward effective and meaningful packaging. Packaging was considered as an afterthought which was required merely in the final stages of manufacturing for many pharmaceutical companies about a decade ago.

Get in touch with decision makers from the Pharma and Healthcare at our Packaging and Labelling Conference in Mumbai, India. Benefit from our deep expert knowledge on Track & Trace and Serialization Solutions and optimize your supply chain with help of our future-proof solutions, partners, and the profound insights of our speakers. Discover how Pharma Packaging Labelling, Serialization and Track & Trace improves consumer safety and supply chain transparency, find out what benefits Pharma Packaging delivers beyond legal compliance, and learn how its help grow your business. Join our new break-out sessions to deep dive into industry-specific Pharma Packaging Labelling, Serialization and Track & Trace solutions and explore real use cases and lessons learned by our customers.

The 2023 agenda looks at ongoing regulations, end-to-end artwork, sustainability, serialization, e-labelling and patient safety. Top pharmaceutical companies, biotechs, CMOs and regulatory bodies and many more will come together to share their insights into compliant packaging and labelling implementation.

We look forward to seeing you all there!
