WELCOME MESSAGE

With the mixture of peers of healthcare field, Scholars Conferences is privileged to announce its “**World Nursing and Healthcare Summit**” (**HYBRID EVENT**) which will be held during **October 23-24, 2023** at **Tokyo, Japan**.

WNHS 2023 provides a forum for professional healthcare experts to meet peers, network, share information, and stay informed on issues affecting the health care field.

WNHS 2023 brings together researchers, health service providers, administrators, teachers, and other health workers in a unique, multidisciplinary environment of professional exchange, study, and action. Conference also concerned with a broad set of issues affecting personal and environmental health, including federal and state funding for health programs, pollution control, programs, and policies related to chronic and infectious diseases, a smoke-free society, and professional education in Healthcare and Public Health. We're excited to have well over 40 sessions and 60+ incredible speakers at the 2023 conference. Plus, we welcome the return of the always popular conference sessions along with an amazing keynote.
