# GLIMPSSES OF PAST CONFERENCE

## Speakers Word

**Sara Baroni**, *Istituto di Ricerche Farmacologiche IRCCS, Italy*

I desire to thank again all the organizers of the European Congress Infectious Diseases 2022. It was a really nice event because there were many presentations about different topics: we had fully Professors but also PhD students that presented the data. So it was a great opportunity to share scientific knowledge. Hope to collaborate in the future.

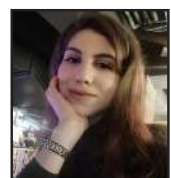

**Chrysa Voyiatzaki**, *University of West Attica, Greece*

I express my great pleasure for our participation in the 4th European Congress on Infectious Diseases. The Conference was of great importance and its themes were truly remarkable.

**Nagham Abdalahad**, *University of Toronto, Canada*

Thank you for the efforts to make a wonderful conference!. I will for sure attend more conferences.

**Elen H. Gaboyan**, *SPC "Armbiotechnology" NAS RA, Armenia*

I am glad that I participated in the conference. It was interesting and informative. And I am thankful for your support and kindness. Looking forward for your next conference

**Gayathri G**, *Indian Institute of Technology Madras, India*

Conference was well organised new ideas and techniques were shared really enjoyed the science and stay expecting such meetings in future
