ABOUT LONDON

London is the capital of the United Kingdom. It is the largest city in the UK and serves as the centre of the economy, transportation, and culture of the nation. One of the world's oldest cities, London has an almost two millennia-long history. One of the most diverse cities in the world is London. It serves as the largest city in the nation as well as its commercial, transportation, and cultural centre. In addition to its history, art, and politics, London is a popular tourist destination because of its wide variety of museums, stores, restaurants, and sports teams. London is situated 50 miles upstream from the North Sea estuary in south-eastern England, on both sides of the Thames River. The first city to host three Summer Olympic Games was London in 2012. After Moscow and Istanbul, the London metropolitan area has Europe's third-highest population density. The London metropolitan area is Europe's third most populous after Moscow and Istanbul.
