

*International Conference on*

# **APPLIED MICROBIOLOGY AND BENEFICIAL MICROBES**

*Theme: From Microbes to Miracles: Advancing Applied Microbiology*

**November 20-21, 2024**  
**Holiday Inn Express Dubai**  
**Airport, Dubai, UAE**

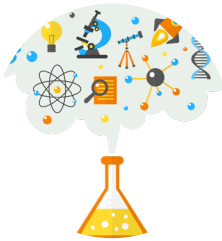

**Address:**  
7 Bell Yard, London WC2A 2JR,  
United Kingdom

# TABLE OF CONTENTS

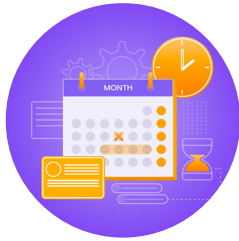

## About the Event

*Elevating Experiences, Building Connections: Unveiling the Essence of Our Event*

## Scientific Sessions

*Exploring Frontiers, Igniting Ideas: Unveiling the Future through Scientific Sessions*

## Skeleton Schedule

*Navigating Knowledge Horizons: A Skeleton Schedule to Illuminate Your Learning Journey*

## Important Information

*Essential Insights, Timely Updates: Your Guide to Important Information*

## Venue

*Where Moments Become Memories: Discovering Excellence at Our Distinctive Venue*

## Contact us

*Connect, Communicate, Collaborate: Reach Out and Let's Make Things Happen*

## About Conference

Welcome to the Microbiology and Immunology conference, Prezentise is very delighted to welcome all the professors, scientists, researchers, doctors, students, to participate in our **International conference on Applied Microbiology and Beneficial Microbes** which is scheduled on **November 20-21, 2024** at **Holiday Inn Express Dubai Airport, Dubai, UAE**. With the theme of “**From Microbes to Miracles: Advancing Applied Microbiology**”. It is designed to serve to serve as a platform for the eminent speakers to showcase their highly insightful research work, knowledge in the field of Microbiology to the audience and participants. The main aim to conduct the conference is to bring global scientists, researchers and students together to one platform to share updated information, innovation and compliance towards microbiology. These 2 days of conference will cover a broad range of topics in the field of Microbiology, Immunology, Virology, Infectious diseases, Food microbiology, medical microbiology and more. It is a place, where we can bring together different ideologies of leading experts, professors, researchers in the field of Microbiology and Immunology. This dynamic event serves as a platform for exchange of thoughts, experience, ideas of industry experts, researchers, microbiologists, healthcare professionals and leading biomedical scientists under one roof.

# Why to Attend?

1. **Expert Insights:** Gain valuable insights from industry leaders and experts, shaping your understanding of the latest trends and innovations.
2. **Networking Opportunities:** Connect with like-minded professionals, build meaningful relationships, and explore collaboration possibilities.
3. **Skill Enhancement:** Participate in workshops and sessions designed to enhance your skills, providing practical knowledge and tools for professional growth.
4. **Cutting-Edge Research:** Stay ahead of the curve by accessing groundbreaking research and advancements in your field presented by top researchers and practitioners.
5. **Inspiration and Motivation:** Immerse yourself in an environment of inspiration, motivation, and enthusiasm, leaving you energized and ready to take on new challenges.

# Who can Attend?

## Welcomes Professionals, Enthusiasts, and Innovators

- Scientists
- Researchers and Academics
- Entrepreneurs
- Students
- Professors
- Doctors

Whether you're a seasoned professional, a student, or simply passionate about the subject matter, This Conference offers a platform for collaboration, learning, and networking. Join us and be a part of this inclusive and engaging experience!

# SCIENTIFIC SESSIONS

- Microbiology
- Immunology
- Microbial Physiology
- Food Microbiology
- Microbial Genetics
- Microbial Techniques
- Evolutionary Microbiology
- Systems Microbiology
- Veterinary Microbiology
- Medical Microbiology
- Pharmaceutical Microbiology
- Microbial Biotechnology
- Microbial Genomes and Physiology
- Bacteriology and Infectious Diseases
- Microbial Ecology
- Industrial Fermentation
- Water and Marine Microbiology
- Foodborne Diseases
- Enzymology and Protein Engineering
- Prebiotics & Probiotics
- Biomaterials and Medical Devices
- Current and Future Trends in Microbiology
- Infectious Diseases and Immune System
- Microbial Biodeterioration of Materials
- Bioremediation
- Cellular Microbiology and Cytology
- Bioelectricity & Bioelectrical Research
- Microbial Bioinformatics
- Plant Beneficial Microbes
- Microbe-Host Interactions
- Geomicrobiology
- Microbial Immunology and Infection Control

**Submit  
Your  
Abstracts**

Submit your Abstract in the Below Link

<https://prezentis.com/microbiology/abstract-submission>

Abstract acceptance will be intimated through Email & WhatsApp.

Then you can proceed further by registering towards the conference to confirm your slot.

# CONFERENCE SCHEDULE

November 2024

# 20

*Wednesday*

# 21

*Thursday*

09:00-10:00	Keynote Sessions
10:00-13:00	Oral Presentations
13:00-14:00	Lunch
14:00-16:00	Oral Presentations
16:00-16:30	Eye Relaxation
16:30-17:30	Poster Presentations

Day 1 Concludes

09:00-10:00	Keynote Sessions
10:00-13:00	Oral Presentations
13:00-14:00	Lunch
14:00-16:00	Oral Presentations
16:00-16:30	Eye Relaxation
16:30-17:30	Poster Presentations

Award Felicitation & Closing Ceremony

# IMPORTANT INFORMATION

## Conference Registration

Presenter	\$ 699
Listener	\$ 749
Exhibitor	\$ 1499

## Dates to Remember

Abstract submission Deadline	20 <sup>th</sup> June 2024
Early Bird Registration	22 <sup>nd</sup> June 2024
On spot registration:	20 <sup>th</sup> November 2024

Speakers who require a visa to attend the conference may request an official invitation letter to support their visa process

## Registration Includes

- 1. Full Access to Sessions:** Engage in keynote presentations, panel discussions, and interactive sessions led by industry experts.
- 2. Networking Opportunities:** Connect with professionals, peers, and speakers through virtual or in-person networking events.
- 3. Conference Materials:** Access event materials, presentations, and relevant resources to enhance your conference experience.
- 4. Certificates of Participation:** Receive a certificate recognizing your active involvement in the conference.
- 5. Exhibition Access:** Explore virtual or physical exhibitions showcasing the latest products, services, and innovations in the industry.
- 6. Exclusive Workshops:** Participate in hands-on workshops and training sessions to enhance your skills.
