Boston, USA

About Conference

Welcome to the **2nd Global Summit on Nursing and Midwifery**, hosted by Scitechseries, where innovation converges with excellence in healthcare delivery. Set against the dynamic backdrop of **Boston, USA, on May 08-09, 2025, Nursing 2025** is poised to revolutionize the experience for nursing and midwifery professionals worldwide.

Themed **“Empowering Excellence in Nursing and Midwifery: Advancing Practice, Policy, and Research,”** this summit celebrates the pivotal role of nurses and midwives in shaping the future of healthcare. With a focus on advancing practice, policy, and research, **Nursing 2025** serves as a beacon of knowledge, collaboration, and inspiration.

Explore cutting-edge advancements in nursing education, as pioneering educators unveil innovative teaching strategies tailored to meet evolving healthcare needs. Gain insights into acute, critical, and emergency care from seasoned practitioners dedicated to excellence in patient care.

Delve into evidence-based practice, where meticulous research intersects with clinical expertise to drive optimal outcomes across various specialties, including mental health and psychosocial care.

Engage in discussions on interdisciplinary collaboration in case management, patient advocacy, and healthcare policy. From specialized tracks in oncology nursing to pediatric care, **Nursing 2025** offers expert-led sessions, workshops, and hands-on demonstrations.

OUR TESTIMONIALS

“

Angela Allen, NC State University, USA

The conference was great and attendance was good until the last presentation. I learned some new areas from them. The organization was great.

“

Andrey Pavlychev, St. Petersburg State University, Russia

The European Conference on Renewable Energy and Green Chemistry (ECRG 2024) is truly an outstanding event.

“

Sadeq Damrah, Australian University, Kuwait

What a delight it was to participate in such an organized summit with fun smart speakers. As a speaker, I met so many people I will stay in contact with regarding my topic.

“

Vladimir Sanchez Linares, MINSAP, Cuba

My testimony: I am very grateful to ICDS for this opportunity, it was a fantastic experience, the event program was great, the presentations were excellent, everything was very well organized, the organizing committee was always willing to help, particularly They always helped me a lot during this time, thank you, thank you very much for everything. see you ICDS 2025!!!

“

Andres Felipe Gonzalez Zapata, Cooperative University of Colombia, Colombia

This conference was a very enriching experience. Sharing knowledge with very qualified professionals fulfil all areas of infectious diseases. It deserves to be carry out again. Thanks to all the support staff that made this event possible.

“

Shirin Cantillon, Warwick Medical School, UK

The conference was a great opportunity to meet academics from all over the world and listen to interesting work. Although it was a very small conference, it was a good mix of in person and online presentations. I would recommend it for anyone who enjoys infectious disease.

“

Srinivasa Rao Pundru, Mahatma Gandhi Institute of Technology, India

The quality of talks at ECRG 2024 is good. Almost all scientific topics which are discussed in this event are very much useful in professional development of researchers. The scientific committee did a good job in selecting the speakers as well as in conducting the event of ECRG 2024.

“

Weihong He, Sichuan University, China

The talks are interesting and the conference is well organized, providing an excellence platform to meet new people from different parts of the world in the field of Green Chemistry.

“

Aree Saeed Mustafa, American University of Kurdistan, Iraq

I am presently serving as an Assistant Professor of Department of Accounting of Duhok University. I am very thankful to my management who gave me opportunity to attend this conference as a speaker. Global Entrepreneurship Summit Conference was awesome and it was a great experience for me.

VENUE

Boston, Massachusetts, boasts a rich tapestry of history, culture, and innovation. As one of America's oldest cities, it reverberates with echoes of the Revolutionary War, showcased in sites like the Freedom Trail and the USS Constitution Museum. Home to prestigious universities like Harvard and MIT, it's a hub of intellectual vitality. Boston's vibrant neighborhoods, iconic sports teams, and delectable seafood further enrich its allure.
