

NEUROLOGY CONFERENCE

11, 12 | JANUARY 2025

Bangkok, Thailand

Welcome to The Neurology Conference 2025

It is our great pleasure to welcome you on behalf of the organizing committee to the Neurology Conference 2025 which will be held during January 11-12, 2025 in Thailand, organised by PubScholars Group | Hybrid.

We are delighted to welcome all the experts from Neurology & Neurological Health to join this two-day event which will provide excellent opportunity to exchange information and strengthen the collaboration among the attendees from both academia and industry.

This program provides two days of robust discussions on recent advancements and new strategies in neurology. World renowned experts in the field of neurology research from across the world have agreed to grace the conference. Internationally leading experts will join us to present and discuss their most recent data and achievements during this event. The world's leading faculty in this area will thus enrich this year's program

Scientific Sessions

- ❖ Autonomic Nervous System Diseases

City Attractions

Thailand, known as the "Land of Smiles," is a Southeast Asian country famous for its rich culture, stunning landscapes, and vibrant cities. Its capital, Bangkok, is a bustling metropolis blending modernity with tradition. Thailand is renowned for its beautiful beaches, tropical islands, and historic temples, such as those in Ayutthaya and Chiang Mai. The country has a strong cultural heritage, reflected in its festivals, cuisine, and arts. Thailand is also a popular tourist destination, offering diverse experiences from urban adventures to serene nature retreats.
