About us

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.

We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences... [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

Conference and Webinar Details

About Conference

With the immense success of Cancer 2024, we are thrilled to welcome you all to the “**4th International Conference on Cancer Science and Therapy**” scheduled from May 12-13, 2025 in Dubai, UAE which is driven by the theme “Explore the Best Research Findings in Oncology to combat Cancer”. Join this international forum to create partnership with 50+ cancer experts to advance the treatment of cancer and enhance the quality of cancer care globally. Our mission is to deliver the highest quality information studies on cancer research, treatment, and therapy to learners and practitioners of all levels.

This conference aspires to be the leading global educational event in cancer research and therapy, fostering collaboration, innovation and engaging interactions among attendees.

We truly believe that Cancer 2025 will be a huge success and exceed our expectations extremely.

About Webinar

The **4th International Webinar on Cancer Science and Therapy** is Organized by Scientex conferences during May 26-27, 2025 focused on the theme “Explore the Best Research Findings in Oncology to combat Cancer”. Attendees had the opportunity to receive an e-certificate of attendance. Come and join this intimate platform to create networking with 50+ cancer experts.

Our primary goal is to showcase the latest discoveries in cancer research and therapies to share their knowledge and experiences with the global cancer community and contribute to advancing cancer control, and recommend innovative treatment plans. [\(click here for more\)](#)

CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions.
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities
- Excellent platform to showcase the latest products in Cancer field and affiliates

TARGET AUDIENCE

- Oncologists, Radiologists
- Cancer experts, Pathologists and Biologists
- Biologists, Hematologists and Hospice Nurses
- Cancer Physicians and Surgeons
- Doctors, Professors and Lecturers
- Scientists and Researchers
- Cancer Faculty and Students
- Cancer and Palliative Care Specialists
- Clinicians and Oncology Nurses
- Universities, Associations and Societies
- Representatives from Pharmaceutical Companies
- Business Entrepreneur and Delegates
- Product Manufacturer Companies

Session Highlights

- **Cancer Research Therapy and Autoimmune Diseases**
- **Cancer Biology and Biomarkers**
- **Types and Causes of Cancer**
- **Hematology in Cancer**
- **Organ Specific Cancer**
- **Cancer: Awareness, Lifestyle and Nutrition**
- **Oncology Subspecialties**
- **Advancements in Cancer Imaging Technologies**
- **Cancer Genomics and Epidemiology**
- **Cancer and Immunology**
- **Tumor Pathology and Cancer Cytopathology**
- **Cancer Pathophysiology**
- **Neuro and Radiation Oncology**
- **Stem Cell and Gene Therapy**
- **Prevention and Palliative Care in Cancer**
- **Rehabilitation of Cancer Survivors**
- **Cancer Screening and Diagnosis**
- **Clinical Trials of Cancer**
- **Traditional Therapy for Cancer Treatment**
- **Complementary and Alternative Cancer therapy**
- **Artificial Intelligence in Cancer Research**
- **Future Technology in Oncology**

About Venue

CITY SEASONS SUITES HOTEL,
8th St - Deira District - Dubai - United Arab Emirates

City Seasons Suites Hotel is located conveniently near to Dubai Airport with easy access to the best of Dubai, whether for business or pleasure. Offering a variety of facilities and services, the hotel provides all you need for a good hospitality which makes an ideal base for both the business and leisure guests. A dedicated Executive Floor and Executive Lounge, delicious dining options and elegantly appointed accommodation, hotel attentive service and first-rate facilities will ensure that you make the most of your Dubai experience.

About Venue:

Dubai, One of the seven emirates that make up the United Arab Emirates, the city is home to more than 200 nationalities and offers an unforgettable experience to all visitors and tourists. With an unparalleled coastline, beautiful desert and magnificent cityscapes, memories are just waiting to be made here. Visiting Dubai during its off-season in May can be a wonderful way to see the sights for tourists at every attraction. Apart from witnessing Dubai's prime attractions like the Dubai Frame, the Burj Khalifa, and Ain Dubai, you can also visit one of the city's premier water parks or check out the many adventure theme parks and fun activities. The typical temperature in Dubai city ranges from 23 to 37 degrees Celsius. Moreover, Dubai is one of the leading cancer treatment center in the Middle East. Therefore, it would be essential to adhere to and share any future study into the treatment of cancer field in order to recommend advancements. ([click here for more](#))

Venue Highlights:

TOP REASONS TO PARTICIPATE

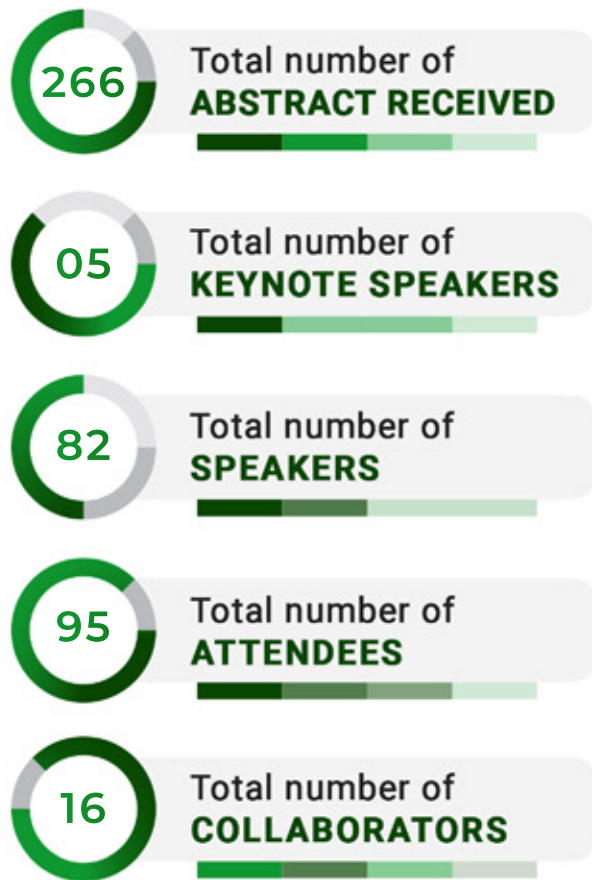

- Develop Your Network
- Position Yourself as an Expert
- Meet Experts & Influencers Face to Face
- Gain Targeted Knowledge
- New Tips & Tactics
- Invest In Yourself
- Gain New Collaborations
- Present your Ideas and Work
- Be Inspired
- Travel, Explore and Have Fun!!

Past Event Report

About Past Event:

Scientex Conference successfully hosted its previous series on the “3rd International Conference on Cancer Science and Therapy” at Grand Mercure Bangkok Atrium, 1880 New Petchburi Road, Bangkok, Huay Kwang, Bangkok, 10310 - Thailand during May 06-07, 2024 and “3rd International Webinar on Cancer Science and Therapy” from May 20-21, 2024 as per the time zone GMT+7. The conference was organized with a theme focused on “Explore the Best Research Findings in Oncology to combat Cancer” and it was a tremendous success where eminent keynote speakers from various universities addressed the gathering. The generous response and active participation of the Organizing Committee Members played a major role in the success of Cancer Conference 2024. On another hand, we take the opportunity to thank all the speakers, delegates and participants for providing their valuable support and time for the conference.

Cancer 2024 Organizing Committee would like to thank the keynote speakers, Oral and poster speakers and delegates for making the sessions such a worthwhile experience. Also, we would like to thank the Moderator of the conference, Dr. Patricia Rijo from University Lusofona, Portugal and the moderator of the webinar, Dr. Ashtar Kariem from UAE who contributed a lot for the smooth functioning of this event.
