About Conference:

Coalesce Research Group is excited to invite you to the 5th European Congress on Cancer and Oncology Research (Oncology 2025), scheduled to take place on September 29-30, 2025, in Vienna, Austria.

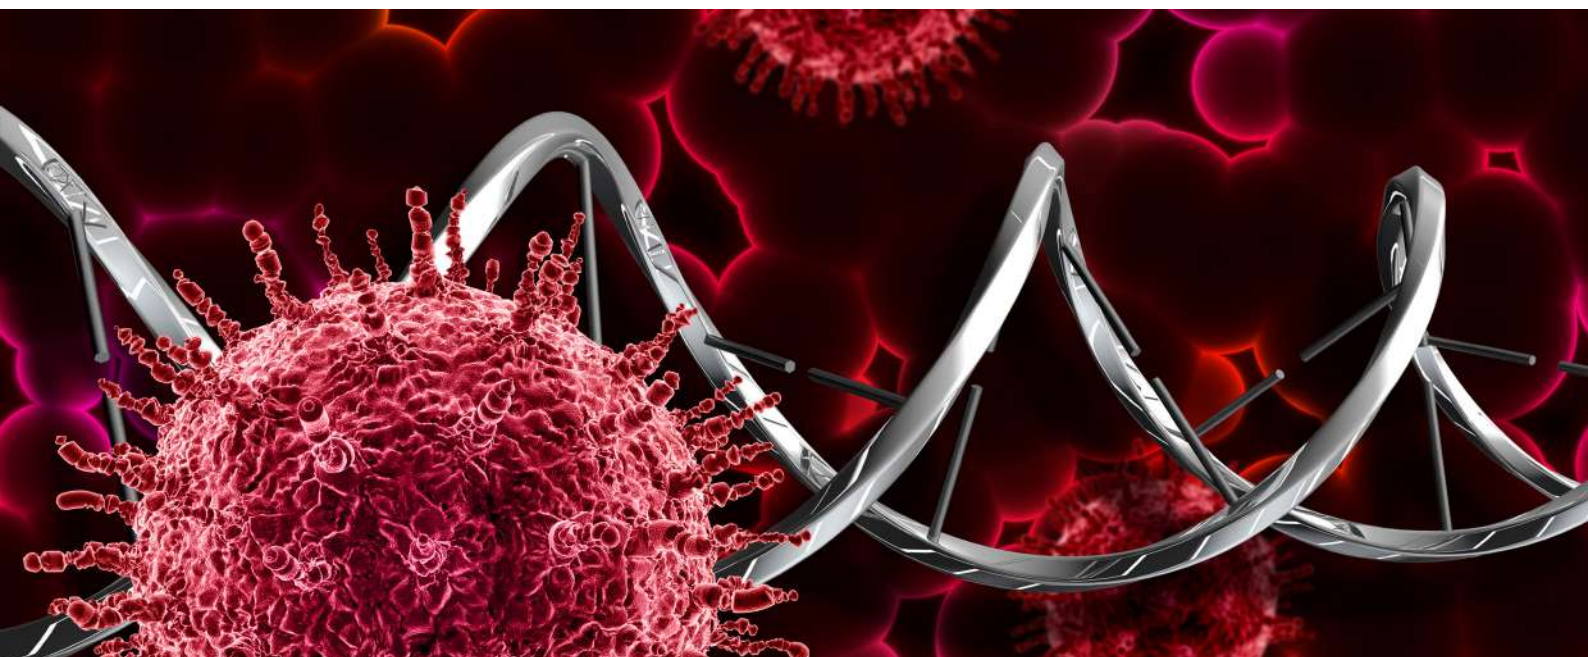

Oncology 2025 is a vital medical specialty dedicated to the diagnosis, treatment, and research of cancer. Oncology 2025 aims to bring together experts in the field, including oncologists, researchers, scientists, clinical specialists, and healthcare professionals from around the globe. The conference will feature a variety of productive sessions covering diverse topics in oncology, with special emphasis on clinical practices and the latest advancements in cancer treatment.

Oncology 2025 offers a unique opportunity to gain up-to-date knowledge about the latest scientific innovations, research findings, therapeutic techniques, and clinical skills in the field of oncology. Live gatherings like this conference are essential for medical professionals to share and disseminate knowledge, ideas, and best practices.

Attendees Include:

- Oncologists
- Medical Researchers
- Clinical Trials Coordinators
- Radiologists
- Surgical Oncologists
- Pathologists
- Pharmacologists
- Cancer Biologists
- Healthcare Professionals
- Students and Trainees

Join us at Oncology 2025 to enhance your knowledge, expand your professional network, and contribute to the advancement of cancer research and treatment!

GLIMPSES OF PAST EVENTS

Speakers Word

Dr. Dunja Milicic, Hospital da Luz Arrabida, Portugal

Conference was really exceptionally well organized. I am going around the world already 30 yrs in conferences - and might say that I have seen ... a lot. I really enjoyed this conference. Your help was exceptional and valuable. Almost two yrs of interaction between us and every went smoothly. All best to you, personally. Hope to see each other on one meeting.

Victoria Al Karaki, Eye and Ear Hospital International, Holy Spirit University of Kaslik, Lebanon

Very Well organized conference. Location and venue are excellent. The schedule is very well defined.

S. Mahmood, University Hospitals of Leicester NHS Trust, United Kingdom

Excellent Organization. Have good experience and gone through variable topics.

Alexandrina Nan, National Institute for Research and Development of Isotopic and Molecular Technologies, Romania

Thank you very much for your excellent organization and assistance. For me, this conference was a wonderful experience
