About Conference:

We'd happy to announce our upcoming **3rd International Conference on Rare Diseases and Orphan Drugs**. this conference brings together of knowledge of the rare disease, experts, patients, researchers of rare disease on this rare disease and orphan drugs which is scheduled during **October 27 - 28, 2025** in **Singapore City, Singapore**. The Conference theme will be focusing on **Advancing Frontiers: Breakthroughs in Rare Diseases and Orphan Drugs**.

As rare diseases are the conditions that affect a small percentage of the population. In the world 6000 above rare diseases are there they can affect more than 300 million people all around the world. This disease is called orphan diseases.

So, this conference provides an platform for exchange their ideas based on the theme, and also this is the good platform to patients, innovators, researchers, medical representatives speakers, poster presentation and the presenters will have the opportunity to learn about this rare diseases and orphan drugs.

Why to attend?

The main aim is to gather scholars from all over the world to present the latest research outcomes and advances in relevant fields and provide an ideal environment for making new scientific collaborations. This conference will be the perfect platform for scientists, professors, and healthcare professionals.

Target Audience

- Health Care Experts and Analysts
- Clinical Researchers
- Clinical Practitioners
- Anesthesiologists
- Pharmacists
- Physical Therapists
- Cardiologists
- Psychiatrists
- Nutritionists
- Nurse Practitioners
- Doctors
- Physicians
- Medical Colleges and Hospitals
- Academic and Business Professionals
- Industrial Experts
- Management Bodies
- Decision Makers
- Medical and Pharma Companies
- Associations, Societies and Professional Bodies

SCIENTIFIC SESSIONS

- Rare Diseases and Orphan Drugs
- Introduction and Causes of New Rare Diseases
- Clinical Case Reports and Case Studies
- Different types of rare diseases
- Challenges of living with a rare disease
- Rare Diseases Vs Common Diseases
- Rare Autoimmune Disorders
- Rare Bone Diseases
- Rare Cancer
- Clinical Research on Orphan Drugs
- Mystery Diagnosis of Rare Diseases
- Orphan drugs potentiality
- Functional Genomics and Gene Therapy for Rare Diseases
- Rare nutritional and metabolic diseases
- Treatment and advanced therapies for rare diseases
- Patient Advocacy Group
- Rare Neurological Disorders
- Rare Syndrome in Covid-19
- Advancement in the diagnosis of rare diseases
- Emerging in technologies in rare diseases research
- Bio medical research
- Drug discovery for rare diseases
- Regulatory considerations for developing orphan drugs
- Chromosomal Abnormalities
- Sickle Cell Anemia
- Infectious Diseases and Immune Deficiencies
- Genetic Testing and counselling of Rare Diseases
- Biomarkers for rare disease diagnosis and treatment
- Diseases of the Heart and Vessels
- Aging Rare Diseases
- X-linked and mitochondrial disorders
- Mosaicism in rare disease.
- Vaccines and Vaccination

CONFERENCE SCHEDULE

DAY 1 October 27, 2025		DAY 2 October 28, 2025	
09:00-10:00	KEYNOTE SESSIONS	09:00-10:00	KEYNOTE SESSIONS
10:00-13:00	ORAL PRESENTATIONS	10:00-13:00	ORAL PRESENTATIONS
13:00-14:00	LUNCH	13:00-14:00	LUNCH BREAK
14:00-16:00	ORAL PRESENTATIONS	14:00-16:00	ORAL PRESENTATIONS
16:00-16:30	EYE RELAXATION	16:00-16:30	EYE RELAXATION
16:30-17:30	POSTER PRESENTATIONS	16:30-17:30	POSTER PRESENTATION
17:30-19:00 ORAL / VIDEO PRESENTATION			
Award Felicitation & Closing Ceremony			

WHY CHOOSE CONFERENCE

1. Different people will attend to share their ideas and thoughts it helps for their research.
2. Discussing about recent research on Rare Diseases and Orphan Drugs.
3. To develop new innovations and provide new data about Rare Diseases.
4. Discuss unique methods

Exhibiting Details

- A chance to sponsor one poster presentation award.
- One complimentary Conference registration.
- Logo recognition on the Conference website sponsorship page.
- A4 Color Advertisement in Conference Program or Book of Abstract.
- Inclusion of your company's leaflet/inserts within the Conference delegate bags.
- 10% Waiver on Exhibition for any of our next year's conferences.
- Recognition of your products and services in the market through our website & Social Media Sites.
- Develop new client relationships and strengthen the current ones with One to one meetings.
- Shape and raise your Company's image through logo branding.
- Brand briefing at the Inaugural and closing ceremonies.
- Sharing the Conference Posters inclusive of your Companies Profile with Industries and Universities places across the world.
- Booth dimensions: 3 x 3 meter build

Standard inclusions

- One fascia board and wall socket with wire
- One table and two chairs

GLIMPSES OF PAST EVENTS

Speakers Word

Atty. Lorenc Gordani, PhD *Tirana Business University (TBU), Albania*

A remarkable experience long two days, with many different moments, and lived by hundreds of experts from all-region and worldwide, to get relevant insights on the latest developments in the most relevant fields of research and industry! Warm thanks to the organizer! Atty. Lorenc Gordani, PhD

Mridusmita Barooah, *Indian Institute of Technology Guwahati, India*

Thank you so much for your kind support. I really appreciate the opportunity given to present my work in such a reputed e-conference. I appreciate each and everyone who worked hard for its success and look forward for many such collaboration.

Jelena Petrović, PhD, *Institute for Technology of Nuclear and Other Mineral Raw Materials, Serbia*

I would like to thank you once again for the opportunity to participate in your conference. The conference was brilliantly organized, you were available to resolve all issues and ambiguities, the papers were excellent.

Dr Sabina Galus, *Institute of Food Science, Poland*

I was really happy to participate in this conference.

Important Information

FOR SPEAKER PARTICIPATION:

Submit your Abstract in the Below Link
<https://crgconferences.com/rarediseases/abstractsubmission>

Abstract acceptance will be intimated through Email & WhatsApp.

Then you can proceed further by registering towards the conference to confirm your slot.

<https://crgconferences.com/rarediseases/registration>

FOR DELEGATE PARTICIPATION:

You can directly confirm your slot by registering towards the conference under Delegate category.
