Feedback

Edna M Gamboa-Delgado

University of Santander, Colombia

Without a doubt, the academic event was very important since I was able to learn from the experiences and knowledge of colleagues who work in research on topics related to nutrition. I consider that the event was very well organized so, I am very grateful for the opportunity.

Maysoon Al Amoud

Member of the Board of Directors of the Saudi Geriatrics Society, KSA

Thank you for your great effort in organizing such an important conference. Participating in the conference was a nice enjoyable and useful experience. I wish you the best in your future conferences.

Wolfgang M Hipp

APOLLON University for Health Care Management, Germany

It was a great advantage of the conference's diversity of participants sharing their very special views on various aspects of healthcare therefore it is always inspiring to see totally different ideas for challenging issues and the open-mindedness... [\(click here for more\)](#)

Ahmad Muhammed Odeh

Prince Saud Bin Jalawi Hospital, KSA

I want to say something about this conference just before the conference, I passed through a very difficult situation at the border where the visa was ended. I bought a new one. I spend about 12 hours on the border choosing another new one but in fact, the conference deserves more than this... [\(click here for more\)](#)

Asma Nassar Arabi

King Saud bin Abdulaziz University for Health Sciences, KSA

It was really my honor to be a speaker and moderator in such a conference in the third International Conference in Healthcare and Nutrition. The organization of the conference was pretty good and the passage of flow of the conference was very smooth. I believe this is a great conference, great speaker... [\(click here for more\)](#)

Lubica Schutova

St Elizabeth University of Health and Social Work, Slovakia

Everything was amazing including the professional organisation and also the scientific program. It was an honor for me to be a part of your congress and I look forward to the next conference. I will be very gladly if I can attend the next conference.

N. Bhavatharini

SRC Diabetes Centre, India

I usually attend many conferences, both nationally and internationally, but this one feels a little different. Here, I have had the opportunity to meet so many people, especially researchers from various fields—not only doctors but also paramedics, biotechnologists, and even dentists...
